

Join Us for a Free Informational Webinar Event

Hosted by New York State Diabetes Campaign

Improving Prescription Access for the nearly 2.6 Million Uninsured New Yorkers.
Learn about the Together Rx Access® Program

The New York State Diabetes Campaign invites you to participate in an informative webinar about ways in which you can help uninsured New York residents gain better access to prescription medicines. Wanda Montalvo, RN, MSN, ANP, Clinical Director of the New York State Diabetes Campaign, invites Amy Niles, Chair Medical Relations/Advocacy of Together Rx Access, to discuss the impact of being uninsured and how Together Rx Access, a prescription savings program, can help eligible uninsured residents gain immediate and meaningful savings on hundreds of brand-name prescription products right at their neighborhood pharmacy. Saving on thousands of generics are also available with the Card.

The Together Rx Access Card is free to get and free to use.
Nearly 2 million people nationwide are cardholders. Those who have used their Card have collectively saved more than \$88 million! Learn more.

By participating, you will learn:

- Facts about the uninsured population in New York.
- How Together Rx Access can help residents better access the prescription medicines they need to stay healthy and to treat disease.
- About available resources to you.
- Ways to get involved to help spread the word about Together Rx Access.

Who Should Participate:

Healthcare professionals, state and local advocacy organizations, hospitals, clinics, community groups, state and local leaders, academia focused on health education.
