

Community Health Care Association of New York State

**CHCANYS Emergency Preparedness Initiative's
"Lunch Time Learning Series"**

The Community Health Care Association of New York State (CHCANYS) Emergency Preparedness (EP) Initiative is pleased to announce the availability of our *"Lunch Time Learning Series"* for CHCANYS member centers and their staff!

Our EP Program Coordinators based in our Albany office are available to provide you with training on a variety of EP related topics that directly impact your center including, but not limited to the following topics:

- *Family & Self-Preparedness*
- *The Basics of Emergency Preparedness at your CHC*
- *Developing an EP Plan*
- *Building Community Relationships*
- *Conducting a Hazard Vulnerability Analysis (HVA)*

These trainings and more are available upon YOUR request and are free of charge for CHCANYS members!!!

For more information or to schedule a session for your center, please contact:

Shannon McDermott or Chris Williams
CHCANYS EP Program Coordinators
90 State Street, Suite 805
