

# HEALTH CENTER EMERGENCY MANAGEMENT PLAN TEMPLATE

v2016

## Instructions for Use

This document is to be used as a guide for the development of a health center emergency management (EM) plan. Health center plans should be adapted to reflect current operations and organizational approach to the EM program's structure and ongoing maintenance.

Please see attachments for additional information and templates that may be incorporated into your health center's final plan document. If you are seeking additional information on a specific emergency management topic or planning area, please contact us at [emteam@chcanys.org](mailto:emteam@chcanys.org).
