*Participants will need to obtain log-in information*

This activity has been reviewed and is acceptable for up to 2 prescribed credits by the American Academy of Family Physicians. In addition to these EB CME, 22 EB CME credits have been awarded to the New Jersey AFP for the toolkit itself as an enduring material. You can apply for these by completing a post-test and submitting it directly to the New Jersey Academy office.

This continuing nursing education activity was approved by the Delaware Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on accreditation (approval # 060503-PROV).

In partnership with:

This project is funded by a grant from the New York State Department of Health, Bureau of Chronic Disease Services.
