### ***Assessing & Managing Your Patient's Cancer Risk: Tools & Information for Primary Care Providers***

**September 13, 2008  
Saturday**

**8:00 a.m. - 12:00 p.m.**

Continental Breakfast & Registration  
at 7:30 a.m.

**The C.R. Wood  
Community Learning Center  
Glens Falls Hospital**

## ***Program Summary***

As part of the Oncology Education Series this program is designed to bring the latest in **Cancer Screening & Prevention to primary care providers** providing evidenced based guidelines and tools to determine risk level, increase screening and identify options for the evaluation of high-risk patients.

## ***Program Objectives***

At the conclusion of this educational activity, participants will be able to:

- ❖ Discuss evidenced based guidelines for cancer screening and early detection in average and high-risk individuals.
- ❖ Describe and implement current cervical cancer screening guidelines.
- ❖ Describe and use available tools for colon cancer screening.
- ❖ Recognize individuals at high-risk for breast, ovarian and colon cancers.
- ❖ Discuss the role of genetic counseling in evaluating individuals at high risk for hereditary cancers.

## ***Program***

|             |   |
|-------------|---|
| 7:30-8:00   | Registration  |
| 8:00-       | Welcome   |
| 8:10-8:45   | * What's Current: Assessing Cancer Risk & Screening Recommendations                                       |
| 8:45 – 9:45 | ** How to Increase Colorectal Cancer Screening Rates in Practice~ M. Mahoney MD                           |
| 9:45-10:00  | Break & Exhibits  |
| 10:00-11:00 | * Genetic counseling and evaluation for individuals at high-risk for hereditary cancers ~ Carolyn Farrell |
| 11:00-12:00 | * Cervical Screening Evidenced Based Guidelines<br>Christine Herde, MD                                    |
| 12:00       | Wrap-up & Evaluation  |

### CME's

\*American Medical Association Physician's Recognition Award (AMA-PRA)<sup>TM</sup>.

\*\* American Academy of Family Physicians

## ***Who should attend?***

**Family Practice, Internal Medicine, Ob/GYN physicians, nurse practitioners, physician assistants, nurses, and other healthcare professionals.**

## ***Course Faculty***

### **Martin C. Mahoney, MD, PhD**

Associate Professor of Oncology  
Roswell Park Cancer Institute

### **Carolyn Farrell MS, CNP, CGC**

Director  
Clinical Genetics Service  
Roswell Park Cancer Institute

### **Pat Spencer-Cisek MS, ANP, AOCN**

Executive Director  
C.R. Wood Cancer Center  
Glens Falls Hospital

### **Christine Herde, MD**

Northern Dutchess Ob/Gyn

## ***Continuing Education Credits***

\* **CME's:** Glens Falls Hospital is accredited by the Medical Society of the State of New York (MSSNY) to sponsor continuing medical education for physicians. Glens Falls Hospital designates this continuing medical education activity for a maximum of six and one half (2.5) hours of Category 1 credit towards **the American Medical Association Physician's Recognition Award (AMA-PRA)<sup>TM</sup>**. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

\*\*This activity has been reviewed and is acceptable for up to 2 prescribed credit(s) by the **American Academy of Family Physicians**. Of these credits, 1 conforms to the AAFP criteria for evidence-based CME clinical content. CME credit has been increased to reflect 2 for 1 credit for only the EB CME portion. When reporting CME credit, AAFP members should report total Prescribed and Elective credit earned for this activity. It is not necessary for members to label credit as evidence-based CME for reporting purposes.

The EB CME credit awarded for this activity was based on practice recommendations that were the most current with the strongest level of evidence available at the time this activity was approved. Since clinical research is ongoing, the American Academy of Family Physicians recommends that learners verify sources and review these and other recommendations prior to implementation into practice.
