

Health Center Evacuation Materials

*A new addition to the Community Health
Center Emergency Preparedness Manual
Template*

Community Health Care Association
of New York State

December 12, 2008

What's New?

- Evacuation Policies/Procedures added to the Community Health Center Emergency Preparedness Manual Template
- Evacuation path glow-tape now available from CHCANYS

Evacuation Guidance Documents

- Previous evacuation section (Section 7.4) focused primarily on earthquake, flood
- New evacuation documents have a general evacuation policy/procedure focus
- Inserted within the Community Health Center Emergency Preparedness Manual Template
- Also posted separately on CHCANYS.org

How to access the new evacuation guidance

- Just check the Emergency Preparedness section of the CHCANYS.org website
- Document is downloadable
- Document is embedded into the latest updated version of the Community Health Center Emergency Preparedness Manual Template

Evacuation Path Glow-Tape

- CHCANYS has glow-in-the-dark tape to send your center for evacuation path in case of a blackout.
- Just contact CHCANYS EP via the website or email
CNicholson@CHCANYS.org
